

# Giang Tran

## Senior Associate

giang.tran@vilaf.com.vn

## Professional Summary

Giang advises a broad range of international and domestic clients on complex legal and commercial matters in Vietnam. Her practice focuses on foreign direct investment, corporate and M&A transactions, and banking and finance, with particular emphasis on project finance. With a strong academic foundation in both law and business, she delivers commercially strategic and results-driven advice to investors, lenders, and corporate stakeholders.

## Selected Representative Matters

- Advised Siam Cement Group (SCG) on its US\$440 million acquisition of two major cement groups in Vietnam.
- Advised FWD Group on its acquisition of an 85% interest in GiNET Vietnam in the insurance sector.
- Advised Daiwa PI Partners on its investment in Beta Holding JSC in the entertainment sector.
- Advised regional investors on acquisitions of BOT power project companies and renewable energy developers.
- Supported multinational groups on market entry, joint ventures, greenfield developments, restructurings, and divestments across multiple industries.
- Advised Vietnamese banks on lending transactions, security structures, regulatory compliance, and governance matters.
- Advised clients on merger control filings for cross-border M&A transactions in Vietnam.
